

Activating/Post Learning Questions: Zero Waste

1. What does it mean to have a zero waste life? Have you heard of this before? What might it look like?
2. In our consumer and material driven world, do you think this is a reasonable initiative? Why or why not?
3. Do you think that adopting this lifestyle can make a significant difference? What small steps could you take to reduce the amount of trash you produce? Explain your reasoning.
