

Global Migration

Activating Questions:

1. What comes to mind when you think about the word *migrant*? Why are we challenged by the arrival of migrants in our country? What fears come to mind? Are there terrorists among the migrants who arrive?
2. How can we fight smuggling and trafficking of Human Beings? Many migrants are desperate for a safe haven and will get involved in unsafe practices to find that haven. What role does the “future/potential” country have in fighting this battle?

Post Viewing/Learning Responses:

3. What led to the current situation at the southern U.S. border? What is the current Human Rights situation there?
4. Is Global Migration a global concern? Why or why not? What will slow the exodus of the people from their home countries? If anything? Is there anything that First World Countries do to aid the situation? Explain your reasoning.
