Still Alice Post Viewing Assignment (11 marks x 2=22marks)

Purpose: The purpose of this assignment is to assess your knowledge of what we have learned about Alzheimer's in Chapter 5 Adulthood and Old Age and about cognition, memory, and dementia.

Format: We will be watching the film "Still Alice" in class. As we watch, you may take notes in your binders to assist you in completing the assignment, as outlined below.

1. What is Alzheimer's? Provide scientific and social background of the disease as learned in class. Include symptoms, causes, treatment, and relevant statistics. (3 marks)

2. Alice and Alzheimer's – Who is Alice? What is the irony of her profession? How did it affect her life? (3 marks)

3. How did Alzheimer's affect those around her? Be a psychologist. How did the disease progress? Use specific details from the film here. (3 marks)

Name _____

Period _____

4. *What did you learn about Alzheimer's from this film that you didn't already know? What surprised you?*
(2 marks)
