

Worldviews Exit Slip

Read and annotate pages 31-34 of the Shaping Canada textbook

1. Describe some of the differences between the Indigenous and Western Worldviews. This information can be from the website and/or the text.
2. How do you think stories about origin (where you come from) - whether from an oral tradition or scientific tradition – affect a person's worldviews?
3. Describe the importance of the medicine wheel in some indigenous cultures. What do the parts of the circle represent?
4. What differences and similarities do you see between First Peoples' traditional relationship with the land and YOUR relationship with the land you live on today?
